Developing a European Identity

UCAPE is an international association registered in Belgium. Educational establishments in any country may join as long as they adhere to the basic principles of the UCAPE charter.

UCAPE is a member of the Federation of European and International Associations established in Belgium (**F.A.I.B.**) and is an International **N.G.O.** recognised as a participating member of the Council of Europe. **UCAPE** supports the European projects of its members subject to current legislation.
